

HELIOSHADE® – EXTERNAL VENETIANS RANGE

C Slats
80mm

Dual integrated beaded slat edges for perfect alignment and optimum performance with stylish curved visual finish when in use.

Z Slats
70 & 90mm

Offers increased light dimming thanks to overlapping closure of slats which have integrated dampening lip rolled in to the leading edge.

F Slats
80mm

Highly flexible flat slat offers a streamline external view when down combined with a compact slat stack when retracted.

T Slats
60 & 80mm

Are the perfect solution for modern architecture, offering linear symmetry with clean lines and reduces stacking height.
