

# SHADE SAILS

Shade sails offer up to 95% protection from harmful UV rays, and 100% for waterproof options manufactured using PVC fabric.

Large areas can be accommodated through either free standing shade structures or a combination of shade sails.

- » Cool Awnings custom - make all our products to fit your home.
- » The fabric can be shade sail mesh, woven PVC mesh or waterproof PVC.
- » There are a large range of fabrics and colours available.
- » All the components are stainless steel.
- » Take down / reinstall service over winter available.
- » Our shade sails can be as large or as small as you require, up to 50m<sup>2</sup> without council permits.
- » All our products come with a 5 year guarantee on fabric and hardware.
- » We design and manufacture in house, our Shade Sail specialist has more than 12 yrs experience.
