TRANSFORM YOUR OUTDOOR SPACE WITH MODAPRAX

Our range of modular pergola kits, brackets and shade sails can be easily customised and boast a modern style to fit with any outdoor space. Just add timber!

WHY CHOOSE MODAPRAX?

Easy & Quick to Build

Our modular system provides a simple and efficient way to build outdoor pergolas, including pool pergolas and carports.

Strong & Durable

Our brackets are designed & engineer certified to be strong and meet Australian standards. We use a protective primer and weather resistant powder coating to achieve an elegant finish and superior durability.

Customisable Modular System

You can customise the size of your pergola using our extension brackets and you have several shade options, e.g., shade sail, rafters and wall posts. Choose the pergola kit that is right for you.
